

## Guest Wireless Internet Access Agreement

**Wireless Internet access is provided for:**

- current SVHC patients
- visiting family members of current SVHC patients
- SVHC business partners who have a valid need

Southwestern Vermont Health Care (SVHC) provides wireless access to its patients and guests to use free of charge. It is provided on an "as-is" and "as-available" basis.

SVHC does not warrant that this services will be uninterrupted and error-free or free of viruses or other harmful components.

Users should be aware that there are security, privacy, and confidentiality risks inherent to wireless communication and technology. SVHC does not make any assurances or warranties relating to such risks.

By using the SVHC wireless access, the user agrees that SVHC is not liable for any costs or damages arising from use of this service and that SVHC does not control any materials, information, products, or services on the Internet.

I accept these terms and request access to the GuestMAC wireless network at SVHC.
